

Statement of Compliance with the Build America, Buy America Act (BABAA)™

Company Name: Horner APG

Date: January 1, 2025

Subject: Compliance with the Build America, Buy America Act (BABAA) (Public Law 117-58 §§ 70901-70927)

Horner APG is committed to full compliance with the Build America, Buy America Act (BABAA), ensuring that our products meet the domestic sourcing requirements for federally funded infrastructure projects. As a U.S.-based manufacturer, we prioritize the use of American-made materials and components to support domestic industry and job creation.

We certify that the products listed below adhere to the following BABAA requirements:

- 1. Manufactured Products:**
Horner APG products are produced in the United States, and a substantial portion of the components are of U.S. origin, in accordance with the BABAA domestic content thresholds.
- 2. Compliance with Federal Standards:**
Horner APG ensures that our products align with the guidelines set forth by the Office of Management and Budget (OMB) and applicable federal agencies overseeing the implementation of BABAA.

Horner APG remains dedicated to maintaining the highest standards of quality and regulatory compliance. We are prepared to provide additional documentation upon request to demonstrate our adherence to the BABAA requirements.
